URBAN CHIC winner of iF Design Award 2020. A collection that fuses our most human desires with our urban habitat.

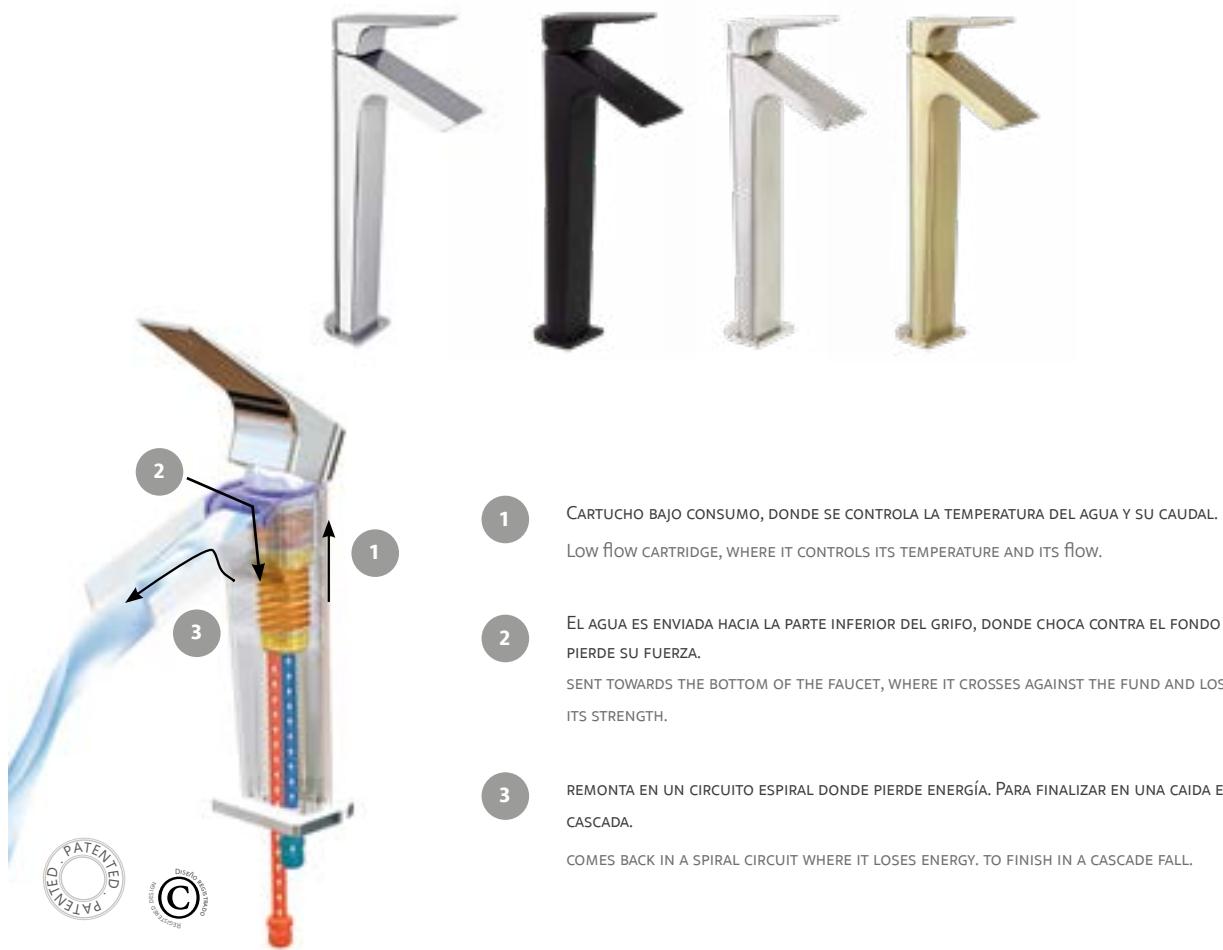

URBAN CHIC collection features the innovative patented Tourbillon System, a unique and exceptional water circuit that controls the force and tension of the water, to deliver it clearly, quietly and gently. Like a spring. The water passes through a low flow cartridge, where its temperature and flow are controlled. Still without losing its momentum, it is sent towards the bottom of the tap, where it collides with the bottom and loses its bravery, to go up in a spiral circuit where it tames its energy. From there it is led to the final fall, where it is released in a cascade. URBAN CHIC is daring, slim, novel and elegant, while being simple and absolutely functional.

Following the latest trends and with the highest quality, the most complete and sophisticated collection of design taps, URBAN CHIC by Ramon Soler® is also presented in exclusive finishes of maximum resistance and durability: brushed gold, brushed nickel and matt black, the color of immaculate elegance.

URBAN CHIC ganadora del Premio iF Design Award 2020. Una colección que fusiona nuestros anhelos más humanos con nuestro hábitat urbano.

La colección URBAN CHIC presenta el innovador sistema patentado Tourbillon, un circuito de agua único y excepcional que controla la fuerza y tensión del agua, para entregarla de forma clara, silenciosa y amable. Como salida de un manantial. El agua pasa a través de un cartucho de bajo caudal, donde se controla su temperatura y su caudal. Sin perder todavía su ímpetu, es enviada hacia la parte inferior del grifo, donde choca contra el fondo y pierde su bravura, para remontar en un circuito en espiral donde amansa su energía. Desde allí es reconducida hacia la caída final, donde se libera en forma de cascada. URBAN CHIC es atrevida, esbelta, novedosa y elegante, a la vez que simple y absolutamente funcional.

Siguiendo las últimas tendencias y con la máxima calidad, la colección de grifería de diseño más completa y sofisticada, URBAN CHIC de Ramon Soler® se presenta también en exclusivos acabados de máxima resistencia y durabilidad: oro cepillado, níquel cepillado y negro mate, el color de la elegancia inmaculada
