Caractéristiques Techniques

Deux possibilitées d´installation

FIXATION MÉCANIQUE

- Marquer les emplacements de perçage.
- Visser fermement la pièce de raccordement dans chaque cheville.
- Insérer l'accessoire dans les pièces de raccordement et le fixer solidement à l'aide de la vis de blocage.

FIXATION ADHÉSIVE

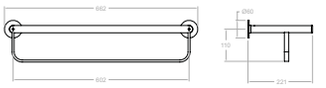

Sealant fix : plus besoin de percer des trous dans grâce à la colle Sealant fix !

- Facile à appliquer, facile à retirer.
- Résistant à l'eau.
- Non toxique.

EN OPTION : les deux systèmes de fixation peuvent être utilisés simultanément.
